**12 de mayo de 2022**

## La lista de viviendas de alquiler de MassHousing

### Acerca de MassHousing

MassHousing es una autoridad independiente que fue creada por la legislatura del estado de Massachusetts en 1966 para financiar la creación y preservación de la vivienda asequible.

Hacemos préstamos a desarrollistas inmobiliarios y propietarios de complejos de apartamentos para construir nuevas unidades o rehabilitar las ya existentes. También proporcionamos supervisión limitada para miles de otros apartamentos de alquiler subvencionados que han sido financiados por el Departamento de Vivienda y Desarrollo Urbano de los EE.UU.

Mientras MassHousing ha proporcionado los recursos financieros para miles de viviendas de alquiler, nosotros no administramos estas propiedades en el día a día. Todas estas propiedades son administradas en forma privada, y cualquier persona que desee alquilar un apartamento en una propiedad financiada o supervisadas por MassHousing debe comunicarse con la compañía de administración pertinente.

### Acerca de esta lista

Este libro contiene información detallada sobre más de 800 propiedades financiadas y/o supervisadas por MassHousing.

Nota: Este libro NO incluye información sobre las vacantes, las listas de espera o el proceso de solicitud; para dicha información, debe comunicarse con la oficina del sitio de la propiedad.

### Organización de la lista

Las propiedades se encuentran organizadas por ciudad / pueblo, y en orden alfabético por el nombre de la propiedad. Los listados por Ciudad / Pueblo contienen la siguiente información:

- Dirección del sitio
- Información de contacto de la Compañía administradora y sitio de la Oficina.
- Apartamentos por número de dormitorios, tipo (familias, tercera edad, acceso).

### Nota especial para los Proveedores/Asesores de Vivienda

Este libro le ayudará a determinar qué propiedades tienen los subsidios basados en proyectos y cuáles han sido financiados por MassHousing:

- Las propiedades con una marca de verificación en la columna del proyecto basado en Subsidios tienen las unidades adjuntas basadas en proyectos subsidiados (Sección 8 o MRVP). Los solicitantes no necesitan un subsidio sobre inquilino (o móvil) o un vale de subvenciones por estas unidades. Sin embargo, los procedimientos regulares de la lista y los límites de elegibilidad de ingresos ([www.huduser.org / bases de datos / il.html](http://www.huduser.org/bases_datos/il.html)) siguen siendo válidos.
- Los desarrollos de propiedades con una marca de verificación bajo la columna **Financiado por MassHousing** los que han sido financiados por MassHousing. Para aquellos desarrollos de propiedades que no están etiquetados Financiados por MassHousing, MassHousing proporciona la administración de la Sección 8 del contrato en nombre de HUD. *Tenga en cuenta que MassHousing sólo ofrece conferencias sobre rechazos a los solicitantes que fueron rechazados para la admisión de los desarrollos de los Financiados por MassHousing.*

## **Solicitud de una Unidad asequible**

Para obtener información sobre vacantes, listas de espera, requisitos de elegibilidad o proceso de solicitud, **debe comunicarse con la oficina del sitio de la propiedad**. Cada propiedad en esta Lista de Vivienda mantiene por lo menos una porción de sus unidades más asequibles para los residentes del área. Tenga en cuenta que la demanda de viviendas asequibles es alta, y hay largas listas de espera para los apartamentos asequibles.

## **¿Quién puede solicitar para viviendas asequibles?**

Los apartamentos están disponibles sin importar la raza, credo, color u origen nacional, y están sujetas a las regulaciones federales y estatales de vivienda asequible. A nadie se le puede negar el derecho de solicitar inscribirse en una lista de espera a menos que se encuentre cerrada para un tamaño o tipo particular de unidad. El administrador de la propiedad debe publicar un aviso indicando el derecho del individuo de llamar a MassHousing para verificar un cierre de lista de espera. Los apartamentos asequibles se encuentran sujetos a las regulaciones de ingresos del hogar y tamaño de la familia. Los requisitos de elegibilidad varían según la ubicación. Para ver si usted cumple los requisitos para solicitar una unidad económica, comuníquese con la oficina del sitio de la propiedad.

## **Límites de ingresos y de alquiler**

Los límites de ingreso y de alquiler se encuentran disponibles en [www.huduser.org/datasets/il.html](http://www.huduser.org/datasets/il.html) and [www.huduser.org/datasets/fmr.html](http://www.huduser.org/datasets/fmr.html), respectivamente.
